## FITNESS CERTIFICATE

To-Whom-So-Ever-It-May-Concern

This is to certify that I have fully examined Mr. Shrey Raj, male, 21 years old who was suffering from Dengue Fever

Based on my examination, I confirm that he is physically and mentally fit and can resume his duties from 08/04/25

Dr. PRAVEEN KUMAR GOYAL  
M.D. (MEDICINE)  
Reg. No. MCI 27532

### **Hospital Course:**

The patient was admitted with a 4-day history of fever, myalgias, and rash. Labs were consistent with dengue fever (positive NS1 antigen, thrombocytopenia, elevated hematocrit). Supportive management was initiated, including IV fluids and antipyretics. The patient remained hemodynamically stable without signs of bleeding or plasma leakage. Platelet counts reached their lowest on day 4 but began to improve thereafter. The patient remained afebrile for over 48 hours, tolerated oral intake, and was discharged in stable condition with outpatient follow-up instructions.

### **Discharge Condition:**

STABLE , AFEV , BP- 110/70 MMHG , P- 80/MIN , SPO2- 98% ON RA

### **Advice :**

IN CASE OF EMERGENCY PLZ CALL ON 8899343505
